<p>Information about the neighborhood and city (video)</p>	<p>- Jaén is the World Capital of Olive Oil, a small city with approximately 110,000 inhabitants and 45 minutes far from Granada. Its location and well known University, together with National Heritage Villages such as Úbeda and Baeza and the biggest natural National Park in Spain and second in Europe: Cazorla, Segura and Las Villas National Park, make Jaén the perfect destination for those who want to enjoy a unique experience living abroad.</p> <p>Its spotlights such as its castle, cathedral and Arab baths as well as the amazing views from the top of the hill offer the visitor jaw-dropping sightseeing and different leisure opportunities related to:</p> <p>a) Sports and Nature : Near the school there is a sports center with sports clubs, swimming pool, velodrome and sports courts. The location of the school offers the visitor multiple hiking routes nearby.</p> <p>b) Cultural: the auxiliary teacher can participate in workshops about languages, nature, cine fóruns, etc organized by different institutions such as the University, town hall.... Also, in the old area of town (around the cathedral), there has traditionally been a community of foreign people living there and hanging out.</p> <p>c) Free time: the high-school is located in a lively area full of bars and with great day and night life. Jaén is really known for its gastronomy, having restaurants with national awards and also free “tapas” to enjoy the typical dishes.</p> <p>-Have a quick look at Jaén!: Promotional video</p>
<p>Getting to school</p>	<p>- Public transport in Jaén is operated through the Company ‘Alsa’</p> <p>Usually, the best way to get to school is on foot. The furthest distance in Jaén is around 45 minutes. It can take 40 minutes from someone living in the University area to come to school and less than 30 if you come from the old area of town.</p>
<p>Accommodation (vídeo) - Where to live in town? - Possibility of staying with a family? - Possibility of sharing a flat with other teachers or language assistants?</p>	<p>- There is a wide variety of rental apartments around the Cathedral as well as a Youth Hostel, close to the high school.</p> <p>- Andalucía Ave. and Bulevar are other alternatives to take into account, the first one being the closest option and the later one, one of the newest parts in town. Since flats close to the Cathedral can be more expensive, sharing with other flatmates might be the best option.</p>
